AMENDMENT

In response to the Office Action mailed March 12, 2002, please
amend the above-identified application without prejudice as follows.

In The Claims:

Please amend claims 1, 3, 6 and 12 as set forth below:

Sub 1
1. (Amended) Apparatus for facilitating management by an
individual of a physiological and/or psychological state of said individual using
images comprising:

A1
a display for a set of images allowing an individual to show to the
individual chosen by the individual to one's self; and

a device for allowing said individual to choose images from said
set of images which provide a preferred response for said individual, wherein said
chosen images provide common measurable physiological response
characteristics which define a personalized image response profile for said
individual.
